PINK

Ribbon Benefit

Honoring Debbie Birks of Trenton, Illinois.

Debbie survived lung cancer in 2017 and is currently undergoing invasive chemotherapy prior to a double mastectomy scheduled this holiday season. She will continue chemo and radiation therapy post surgery. Her husband, Brian (Lineman for Ameren) works countless hours and as much overtime as he can get, to help fund the time off he needs to care for Debbie. Any offerings would help tremendously in this time of need.

SATURDAY,
NOV. 10TH
3 PM
