

Planning your future...today[®]

Scarborough Alliance Group is pleased to partner with the IBEW-NECA Pension Plans to provide individual investment advisory and retirement planning services for all plan participants.

Regardless of your age, this workshop can help you establish a financial checklist and get you started today!

Scarborough can help you answer questions like:

- How should I invest the funds in my account?
- What financial priorities should I focus on during my 20s, 30s, 40s, Pre-Retirement and Retirement years?
- How do I avoid mistakes that can compromise my long term investment results?
- How do the pension plan expenses compare to investments offered by outside advisors?
- Should I stay in the pension plan after I retire?
