Brothers and Sisters,

We are getting ready to start a massive bottom-up campaign to organize every contractor away from the St. Louis Carpenters' Electrical Local 57 and we need your help. We are asking all of our members to report any Local 57 jobsite they encounter while working and traveling within our jurisdiction via email to report@ibewlocal1.org or text to **(314) 710-3444** and include as many of the details listed below as possible. Ideally members would “drop a pin” using their smartphone’s *Google Maps* application and share their geolocation. (Please note – our text system *is not compatible* with direct location sharing from the iPhone’s *Apple Maps* application)

Below is a list of the remaining local 57 contractors for your reference and a comprehensive list of the information we are requesting, please include as much information as you can.

Local 57 contractors:

- Reinhold Electric
- Power Up Electric
- HABCO Partnership Inc.
- Higgins Electric
- Fry Electric
- Advance Lighting and Power LLC

Information to include when reporting:

- Jobsite address/description (Example: 1401 Hampton Avenue, Carpenters Union hall)
- Local 57 Contractor name
- General Contractor name
- Number of trucks
- Your name and classification

It’s time the Carpenters leaders stop undercutting our standard of living and with your help we are unstoppable!

In Solidarity,

Tim Evans
